Certificate of Acceptance

This Paper (MCEE_0422) titled

Evolution of Silicon Integrated Circuit: from Scaling to Lowering Power Consumption

Authored by

Zhiyuan, Zhang, Haoyang Zhang, Zonghai Jing, Xuquan Liu

has been accepted by the 3rd International Conference on Materials Chemistry and Environmental Engineering (CONF-MCEE 2023). It will be published in conference proceedings and submitted to EI Compendex, Scopus, Conference Proceedings Citation Index (CPCI), Crossref, DOAJ, Engineering Village (Inspec), Google Scholar and other databases for indexing.
